

► General Pricing for the DASH System (2010):

**CORE DASH SYSTEM:**

System Part #	Items included in the System:		Starting Price of System	Price Breaks (Percentage Discounted):				
	Part #	Description		5 - 10 units	11 - 20 units	21 - 30 units	31 - 40 units	41 - 60 units
1420-HC-SD-02	1420-HC-XP-02	Transport	\$140,000.00	5.0%	10.0%	15.0%	20.0%	25.0%
	1420-HC-CM-02	Camera						
	1420-HC-IS-02	Controller						
	OMS-W01	DASH Cable						
	OMS-W02A	Accessory Cable						
	WAC4	AC Power Cord						

**STROKE GENERATOR:**

System Part #	Items included in the System:		Starting Price of System	Price Breaks (Percentage Discounted):				
	Part #	Description		5 - 10 units	11 - 20 units	21 - 30 units	31 - 40 units	41 - 60 units
1420-OMS-SG-01	SE1450	Stroke Generator	\$38,000.00	5.0%	10.0%	15.0%	20.0%	25.0%
	OMS-3430	External Sync Cable						
	WAC4	AC Power Cord						

**FIXTURES:**

Description	Starting Price of System	Price Breaks (Percentage Discounted):				
The cost of <b>FIXTURES</b> vary widely depending on the customer's requirements and the Display(s) being tested. A starting price is provided at the left, but a more accurate estimate can be attained through our <b>Solution Assessment Services</b> .	\$28,000.00	5 - 10 units	11 - 20 units	21 - 30 units	31 - 40 units	41 - 60 units
			5.0%	10.0%	15.0%	20.0%

**SELF-ALIGNMENT SYSTEMS:**

Description	Starting Price of System	Price Breaks (Percentage Discounted):				
The cost of <b>SELF-ALIGNMENT SYSTEMS</b> vary widely depending on the customer's requirements and the Display(s) being tested. A starting price is provided at the left, but a more accurate estimate can be attained through our <b>Solution Assessment Services</b> .	\$18,000.00	5 - 10 units	11 - 20 units	21 - 30 units	31 - 40 units	41 - 60 units
			5.0%	10.0%	15.0%	20.0%

**ACCESSORIES:**

Description	Starting Price of System	Price Breaks (Percentage Discounted):				
The cost of <b>ACCESSORIES</b> vary widely depending on the customer's requirements and the Display(s) being tested. A starting price is provided at the left, but a more accurate estimate can be attained through our <b>Solution Assessment Services</b> .	\$3,500.00	5 - 10 units	11 - 20 units	21 - 30 units	31 - 40 units	41 - 60 units
			5.0%	10.0%	15.0%	20.0%

**NON-RECURRING ENGINEERING (NRE):**

Spectron negotiates a one-time, development cost (NRE) to fund the design and integration of the **FIXTURES, SELF-ALIGNMENT SYSTEMS & ACCESSORIES** with the customer's Display(s). An NRE estimate can be attained through our **Solution Assessment Services**.
